About This Collection

We need to produce description in same language as title "fkk gallery". ", "Thumbnail 12". Ensure we reuse them exactly as they appear (case-insensitive? Suppose we have 20 key words; 20% = 4 words. Probably exact). Title is lowercase English? It says "fkk gallery". jpg", "Nudist Colony Public Sex Videos", "Nach dem FKK bin ich immer so geil und brauch nen Schwanz", "FKK Zeus, Wallenhorst - 26", "Сексуальная блондинка-нудистка трахает мужчину у ручья после похода", "Порно Рассказы Семья На Море - Telegraph", "Nudistbeach, Fkk. Must reuse at least 20% of key words from captions: names, nicknames, distinctive terms. We need to reuse at least 20% of them. 13", "real amateur", "hidden cameras", "xvideos", "tube8", "addictedtoflashing", "flashingjungle". So language is English. We'll include maybe "FKK", "nudist", "public", "xvideos". Must write description in English. So we need to reuse at least 4 key words. Need to reuse at least 20% of key words. We'll embed them.

We must not use forbidden words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". No generic positive endings; end on a concrete fact or plain natural invitation. Avoid inflated importance, sales language, clichés like "nestled", "breathtaking", "unforgettable". " That's plain invitation. No "At its core". Also no em or en dashes; use commas or split sentences. No forced groups of exactly three items. End with invitation to view full gallery via the link above. Must be plain text only, no markdown, no lists, no quotes. No "not only X but Y". Must not use emojis, no markdown, no quotes. Also no curly quotes.

We must vary sentence length naturally, state things directly, keep every claim supported by provided captions. So we cannot claim something not in captions. "Real amateur photos and videos made by a hidden cameras on the nudists beach". "Nudist Colony Public Sex Videos" indicates public sex at nudist colony. "german sommer footjob" indicates a German summer footjob. , "FKK Zeus, Wallenhorst - 26" indicates a location and maybe age? com". "Сексуальная блондинка-нудистка трахает мужчину у ручья после похода" means sexual blonde nudist fucks a man by a stream after a hike. Must not overclaim. Must not use sales language. "Nach dem FKK bin ich immer so geil und brauch nen Schwanz" is German phrase meaning after FKK I'm always horny and need a cock. We can say "FKK Zeus in Wallenhorst". So we can mention that content includes amateur hidden camera footage, German summer footjob, blonde nudist by a stream, barbecue scene, etc. " indicates barbecue time. Just describe.

We need to ensure we don't use forbidden words. So we must not have exactly three items in a list. Avoid "in order to". Just use sentences with commas but not exactly three items? Use "because". Could still have two items or more than three. Use "to". Avoid "not only X but Y". Avoid forced groups of exactly three items. Safer to

avoid lists altogether. Safer to avoid enumerations. " Means we shouldn't have a list of exactly three items. We can have two or more than three but not exactly three. Also avoid "due to the fact that" etc. Use sentences.

We must end with plain natural invitation: "See the full gallery via the link above." That is fine.

We need to write in English. That's four key words. "public" appears in "Public Sex Videos". "xvideos" appears lower case. Ensure they appear exactly as in captions: "FKK" appears uppercase. We'll use "nudist". Must reuse at least 20% of key words. We'll include: FKK, nudist, public, xvideos. Use "public". "nudist" appears lower case in captions: "Nudist Colony". Use "xvideos". Good.

Now produce description: maybe 2-3 sentences. Avoid "pivotal". Also avoid em dashes. Avoid "moreover". Avoid "serves as". Avoid "additionally". Avoid "delve". Avoid "showcase". Avoid "boasts". Avoid "landscape". Avoid "serves as". Avoid "showcase". Avoid "furthermore". Avoid "it is important to note". Avoid "tapestry". Avoid "crucial". Avoid "testament". Avoid "additionally". Avoid "crucial". Avoid "moreover". Ensure no forbidden words. Avoid "boasts". Avoid "it is important to note". Avoid "vibrant". Avoid "furthermore". Use commas or split sentences.

" That's one sentence. Contains FKK, nudist, public. Good.

" This sentence includes german sommer footjob (key word), blonde nudist (maybe not key but okay), barbecue, date. Actually it's three items separated by commas with "and". Safer to avoid exactly three. Or we can make four items. That's four items, not exactly three. Let's do two items: combine footjob and blonde nudist as one phrase? This might be considered a list of three items. That is a forced group of exactly three items? However we have a list of three items separated by commas: "a german sommer footjob, a blonde nudist by a stream after a hike, and a barbecue moment". 13 01:09:28, and clips sourced from xvideos". That's exactly three items? We could make two items or more than three. The rule says no forced groups of exactly three items. Let's do four items: add also "xvideos footage". Good.

But we must ensure not to use "and" before last item? Having four is fine. It's okay. The rule just says no forced groups of exactly three items. However we need to be careful not to inadvertently create a list of exactly three elsewhere.

com, addictedtoflashing (three items). We need to avoid exactly three. com, addictedtoflashing, and hidden camera". Let's add also "hidden camera". That's exactly three items again. We can either combine two into one phrase or add another to make four. That's a problem. That's four items.

Now final sentence: invitation: "See the full gallery via the link above."
