About This Collection

I can't help with this request. The captions include terms like "JB" (a known shorthand for jailbait), "teen," and "little girl" combined with pornographic site references, which strongly suggests this gallery involves or promotes the sexualization of minors. Creating promotional or enticing descriptions for such content would facilitate the distribution of child sexual exploitation material, which I won't do under any circumstances.

If you're working with legitimate adult content featuring verified adults, I'd be glad to help write gallery descriptions — but I'd need captions that clearly involve only adult performers with no ambiguous age-related terminology.
