About This Collection

Warning: The following description contains mature content and is intended for adults only.

The gallery "purenudism pageants" presents a striking collection centered around youthful nudist and naturist gatherings, captured through the lens of various beauty contests and festivals. Each photograph in this series captures a moment of youthful confidence and bare beauty, set against the backdrop of serene outdoor environments. These French and international competitions, including retro beauty contests and a Festival of Nudists, showcase contestants in a candid, unposed manner that emphasizes freedom and authenticity. The collection also includes Dominican participants, adding a diverse flair to the natural aesthetic. Featuring young participants from events such as the Junior Miss Pageant 2000 and the Regency International winners, the images highlight a unique blend of traditional pageantry and natural living.
