About This Collection

Rara Kudou stars in a series of raw scenes that move from a VR session to a public threesome in a van, where she is ambushed outdoors and forced into a gangbang ending with a creampie. The footage also shows a rough tutor seduction, an old geezer delivering piston action, and a sadist moment with strap-on play. All clips are censored Asian releases featuring the idol's shaved pussy and tiny ass. Follow the link above to see the complete gallery.
