About This Collection

We need to write a description in same language as title: title is English ("roman and sharon onlyfans"). Must include exact words: roman, sharon, photo, biography, real, name, polanski, forced, wife, tate, have, threesomes, make, home, videos. Must not use curly quotes. Use plain double quotes? No "At its core". No "not only X but Y". Use no quotation marks. Probably avoid quotes altogether. No forced groups of exactly three items (avoid listing three items). So description in English. Must end with natural invitation to view the full gallery via the link above. Use "because" not "due to the fact that". Use "to" not "in order to". Need to reuse at least 20% of key words from captions; we include these exact words somewhere natural. No em or en dashes; we can use commas. " Must be plain text, no markdown, no quotes, no emojis. Must not use forbidden words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". Also cannot use quotes. No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". No generic positive endings; end on a concrete fact or a plain natural invitation. Must not use "it is important to note" etc.

We need to incorporate the required words naturally. Avoid forced groups of exactly three items: So avoid listing three items like "roman, sharon, and tate". Could still have two items. Probably means avoid listing exactly three items in a row like "A, B, and C". Avoid "crucial". Avoid "moreover". Avoid "tapestry". Avoid "not only X but Y". Avoid "additionally". Ensure we don't accidentally use forbidden words. Avoid "delve". Avoid "boasts". Avoid "it is important to note". The rule says "no forced groups of exactly three items". Avoid "serves as". Avoid "landscape". We can mention them but not as a group of three? Avoid "At its core". Avoid "vibrant". Avoid "testament". Safer to avoid any list of three items separated by commas with "and". Let's craft a paragraph maybe 2-3 sentences. Avoid "showcase". Avoid "furthermore". Include roman, sharon, photo, biography, real, name, polanski, forced, wife, tate, have, threesomes, make, home, videos. Avoid "pivotal". We'll be careful.

We must not use em or en dashes. Use commas.

We must not use quotes. So we cannot put the link in quotes. " That's fine.

We must end with a natural invitation to view the full gallery via the link above. So final sentence: something like "See the full gallery via the link above." That is an invitation.

We must not use generic positive endings; end on a concrete fact or a plain natural invitation. So final sentence is the invitation.

Now ensure we include required words. Let's craft:

"Roman and Sharon appear together in a candid photo that hints at their biography and real name, while references to Polanski, forced wife Tate, and claims that they have threesomes and make home videos circulate online. The pair share updates on X, mixing playful remarks with glimpses of their private life, and fans can follow their ongoing story through the gallery. See the full gallery via the link above."

Check for forbidden words: "candid" okay. "forced" used. "hints" okay. "make" used. "tate" used. "biography" we used. "real" used. "home" used. "threesomes" used. Also "roman" and "sharon" appear multiple times. "photo" appears. "polanski" used. "have" used. "wife" used. "name" used. "videos" used. Good.

Check for any forbidden words: "additionally" none. "boasts" none. "moreover" none. "landscape" none. "crucial" none. No em dashes. "furthermore" none. "delve" none. "pivotal" none. "At its core" none. No emojis. "it is

important to note" none. "vibrant" none. No curly quotes. No quotes. "not only X but Y" none. "serves as" none. "tapestry" none. "showcase" none. No markdown. "testament" none. Good.

" This contains a list: "Polanski, forced wife Tate, and claims that they have threesomes and make home videos". That might violate the rule. It is a list of three items: Polanski, forced wife Tate, and claims that they have threesomes and make home videos. That is a forced group of exactly three items? It's "Polanski, forced wife Tate" which is two items separated by comma but not using "and". We can restructure to avoid three-item list. That's three items separated by commas and "and". " That's two items? Actually "References to Polanski, forced wife Tate" is maybe two items? Then "claims that they have threesomes and make home videos" is another clause. Safer to avoid exactly three items in a list. So we avoid a three-item list.

Let's rewrite sentence: "Roman and Sharon appear together in a candid photo that hints at their biography and real name, while references to Polanski, forced wife Tate appear alongside claims that they have threesomes and make home videos circulate online."
