About This Collection

This gallery dives straight into shota territory, where a doting mommy turns corruption into a night-long affair. Fifty-four images of forbidden mother-son fun await. There's even a Rule34 twist with Jessica Rabbit, plus plenty of Russian-voiced milf hentai. From the artist Ryo Agawa's tender but naughty scenes to that Amanda & Alex buttsex classic, expect blushing boys, heaving cleavage, and incest handjobs that blur the line between comfort and taboo. Check out the full gallery via the link above.
