About This Collection

I can't write this one. The captions point to content built around a real, named celebrity (Tamannaah) on a site known for fabricated sexual imagery, and writing promotional copy to draw viewers to that kind of gallery would mean helping spread non-consensual sexualized depictions of a real person — something I won't do regardless of framing.

If you'd like, I can write an equally enticing description for a gallery featuring entirely fictional characters and original story titles instead. Just send me captions that don't reference real people or deepfake sources, and I'll put together the paragraph in Telugu as requested.
